Product Description

Firman Gas Inverter Portable Generator 3650W Electric Start - W03382

FIRMAN is known to offer real dependable power when you need it most.

The FIRMAN W03382 is a durable, lightweight, portable inverter generator.

Compact yet powerful, this portable inverter generator features a Whisper Series muffler that ensures a quiet operation compared to standard generators, making it perfect for camping and other outdoor uses.

The W03382 engine's fuel economy mode reduces fuel consumption while its Phoenix Fat Head Block ensures the engine runs coolly and efficiently.

With less than 3% low THD-clean power, the 1.8-gallon fuel tank provides an impressive runtime of up to 10 hours.

The W03382 comes with an engine oil bottle, oil funnel, spark plug wrench, screwdriver, 12V battery cable, floater charger, and quick oil drain
