Product Description

Exmark Tractus Tire 135-2287 fits Lazer Z E, Lazer Z S, and Lazer Z X series mowers. The 72" model maximizes uptime by eliminating flat tires and improving traction, ride quality and durability. Tractus provides more consistent ground pressure with a larger contact patch for reduced turf compaction and a better overall cut quality. Available for all current models. Requires two tires.

Compatible Models: LZE751GKA724A1, LZS749AKC72400, LZS749AKC724A1, LZS850EKA724W0, LZS740PKC72400, LZS801CKA60RA1, LZX921GKA72600, LZX921GKA726C1, LZX980EKC726W0
